Bin 389 Cabernet Shiraz
1982

The Bin 389 style evolved as a result of experiments, by Max Schubert, in the 1950s to develop a highly individual wine using a blend of Cabernet Sauvignon and Shiraz with compatible oak treatment.

Bin 389 combines the elegance of Cabernet Sauvignon with the richness of Shiraz and demonstrates the traditional Penfolds’ trademark - balance between fruit and oak, giving the wine character and longevity.

Winemaker comments by Penfolds Rewards of Patience, Edition VI

Brick red.

Tea leaf/rosehip/reddcurrant/coffee aromas with some green herbal notes.

The palate is medium bodied with soft, supple reddcurrant/mocha flavours and fine chalky - touch leafy - tannins. A sweet and sour wine.
