

Bin 51 Riesling

2007

Created as part of the evolving PENFOLDS white wine development program, PENFOLDS Bin 51 Eden Valley Riesling captures the essence of the Eden Valley Riesling style. The region's high altitude and cool climate produces Rieslings of great complexity and capacity for long term cellaring.

South Australia is gaining worldwide recognition for producing definitive Australian Rieslings, with the Eden Valley at the very head of the field. The wines show typically focused apple and lime aromas, with a mineral edge and marked natural acidity contributing significantly to the palate feel and flavour. The development of PENFOLDS Bin 51 Eden Valley Riesling marks a new chapter in a long history of PENFOLDS involvement in fine winemaking from this variety.

Pale white.

The nose shows typical Eden Valley aromatics of lifted orange blossom and freshly diced pink lady apples.

The palate brims with alluring fruit flavours of blood orange, passionfruit and lime leaf, balanced with a natural zesty lemon acid. This is a tightly structured wine, appealing to drink now but will last 5 - 7 years.
