

Koonunga Hill Autumn Riesling 2011

Penfolds Koonunga Hill has established itself as one of Australia's favourite names in premium wine. The collection's reputation has been built upon its quality, value and consistency, dating back to the original red release from 1976. Some of Penfolds finest Riesling parcels in the early 1970s were bottled under the Autumn label and the Koonunga Hill Autumn Riesling acknowledges the original 1972, by closely adhering to the original packaging with a fitting 'retro' label. The Autumn Label now sits in the Koonunga Hill tier and like its siblings, it aims to deliver the quality, value and consistency that Koonunga Hill is renowned for.

VINEYARD REGION	Eden Valley and Barossa Valley
VINTAGE CONDITIONS	The 2011 vintage was characterised by plentiful rains during Spring taking dam capacities near to or 100% full, however lower than average temperatures and abundant rainfall during the growing season, veraison and harvest produced a vintage that challenged both winemakers and viticulturists alike.

Pale straw

COLOUR

NOSE

Lifted aromas of lemon/ lime citrus, scented talc/ bath salts and hints of spice and jasmine florals round out this fresh and zesty aromatic offering.

PALATE

Flavours of freshly cut limes and lemony citrus lead into a full flavoured and soft wine with a mouth-watering minerally acid structure that provides wonderful balance and length.
