VINTAGE CONDITIONS

Good winter rainfall provided optimal soil moisture profiles leading into spring. Drier conditions prevailed from September through to April, significantly below average. Spring provided ideal conditions for flowering and fruit set, while the business end of the growing season experienced some warm spells, with twelve summer days recorded above 35°C. Healthy canopies shielded the fruit from the harsh sun, and with careful use of supplementary irrigation the grapes were able to ripen evenly. Quality was exceptional, with lovely varietal flavour and refreshing natural acidity.

COLOUR	Light straw
NOSE	Subtle stone fruits, yellow peach, nectarine and faint wafts of citrus are foremost. Upon further swirling, hints of floral notes shine through, Jasmine and white rose petal perfume, and a touch of Ginger spice. Oak is present but in balance and offering a nutty/ nougat nuance.
PALATE	Fresh flavours of stone fruit, citrus and grapefruit pith. Creamy, crème brulee-like French oak lingers with a lovely flinty, wet stone/chalky acid line, closing out with an intriguing waxy phenolic finish.
