

Grange

2000

Grange is both Penfolds and arguably Australia's most famous wine and is officially listed as a Heritage Icon of South Australia. Grange boasts an unbroken line of vintages from the experimental 1951 and clearly demonstrates the synergy between shiraz and the soils and climate of South Australia.

Penfolds Grange displays fully-ripe, intensely-flavoured and textured shiraz grapes in combination with new American oak. The result is a unique Australian style that is now recognised as one of the most consistent of the world's great wines. The Grange style is the original and most powerful expression of Penfolds multi-vineyard, multi-district blending philosophy.

The 2000 Penfolds Grange is an excellent example of the Grange style transcending a most challenging South Australian 2000 vintage.

At once a youthful Grange, smoky barrel fermented notes hover above a complex base of black liquorice, tobacco, black pepper, exotic spices and plummy, berried fruits.

A mouthfilling, generous and expansive palate, as expected of this marque. Dark chocolate and plum fruits court a deceptive play of substantial ripe tannins and, at this relatively early stage, provide for a more powerful Grange stamp on the palate than o
