Available in a thoughtfully crafted gift box designed by Penfolds Creative Partner, Troye Sivan.

### VINTAGE

2023

### GRAPE VARIETY

51% Cabernet Sauvignon, 49% Shiraz

### VINEYARD REGION

McLaren Vale, Padthaway, Barossa Valley

### MATURATION

12 months in American oak hogsheads (33% new)

### VINTAGE CONDITIONS

A delayed but cool harvest yielded high-quality grapes with concentrated flavours and ripe tannins. Cooler spring temperatures with more cloud coverage slowed vine development, but no significant frosts occurred. January temperatures were close to long-term average while the rest of the growing season was cool. The harvest proceeded without major heat spikes, producing exceptional Cabernet Sauvignon and Shiraz. The Barossa Valley navigated climatic variations with near-average winter rainfall but drier conditions leading to budburst. Drier conditions later in the season and moderate harvest temperatures allowed for the development of high-quality grapes. Shiraz performed well, ripening with exceptional varietal characteristics.

### NOSE

We are greeted by the wine's hallmark bouquet, featuring an intricate blend of dark fruit aromas, with the richness of blackberries and the juicy depth of plums holding attention. These scents are complemented by notes of shaved dark chocolate and Black Forest cake. Hints of Portuguese custard and cinnamon sugar bring sweetness, while the exotic spiciness of pecan-infused hummingbird cake contrasts with the savoury notes of rosemary lamb. Undertones of aromatic dried herbs and a subtle hint of boot polish add depth to the profile. The influence of fine, toasty oak is present but discreetly folds into the fruit. An umami soy sauce character and the rich, cured flavour of bresaola round out the aromatic profile.

### PALATE

A thoughtful blend of varietals. The inclusion of Cabernet Sauvignon provides impeccable structure and depth. Supporting this foundation, Shiraz adds weight and warmth. Red fruits flood the palate, with vibrant flavours of red currant and tart cranberry. The sweetness of vanilla runs throughout the wine, while mouth-coating tannins create a rich, full-bodied texture. Savoury flavours of black olive emerge, accompanied by a blend of orange zest, fennel, and olive. Impeccable, fine tannins conclude the experience, leaving a lasting impression of both power and elegance.
